

100 Block Association Board Minutes
May 11, 2011

THE Board of the 100 Block Association met in the conference room at FMB Advertising on May 11, 2011 at 1:00 P.M. Those present were Jim Mason, Jody Freeman, & Steven Horton. Absent were Ann Marie Tugwell, Aaron Brown and Sean Christman. Special guests were Rick Emmett and Officer Thomas.

Jody Freeman called the meeting to order and Jim Mason second the motion. A motion to pass the minutes was made and passed unanimously.

Rick Emmett reported that bids should finally go out soon for the parking meters. He also discussed the Summitt Hill sidewalk and the need for improvement. We can draft a letter to city engineering and the city councilman to have it placed on the capital outlay budget. Perhaps seek assistance from Market Square Association as partners for the improvement.

Punch list to be completed soon on the 100 block improvements. This will be the last chance to present concerns.

Discussion of cooperation with Old City for events and other concerns.

Waiting on Judith Foltz to give more feedback on the city special event policy. We will vote on during next meeting.

Jody would like to have a couple resident names to vote on during the next meeting or at least place on the agenda for discussion.

Trash collection is working fine, but we may have to chain some cans on the East side of the street.

We need to secure a date and location for a Fall meeting of the full 100 Block Association meeting.

Steven inquired about a Comprehensive Vision statement for the 100 block, and the possibility of having some of the property owners attend meetings to understand the future of the 100 block

The meeting was then adjourned. The next meeting is scheduled for June 8, 2011

-Respectfully submitted by Steven Horton, Resident Member 100 Block Association.
